Compass Trial: Study Participant Consent Form - Participation involves the following:

Researchers are allowed to access my relevant medical records • I am aged at least 25 and born on or after 1st July 1980 • My participation in the trial is entirely voluntary and I can withdraw at any stage. This will not affect my relationship with my health practitioner, VCS Pathology or Cancer Council NSW • Any information relating to my participation in the study is strictly confidential. I agree that the results can be published, provided I cannot be identified • Any residual samples will be stored and may be used for the development of new HPV testing technologies. Ethical approval will be obtained prior to undertaking any further research studies using these samples. I understand that I will not have access to these test results • If I have any questions I can contact the Compass trial hotline on 1800 611 635 or visit www.compasstrial.org.au • If I have any concerns or complaints about the study, I can contact the Research Governance Officer, Bellberry Limited on 08 8361 3222 • I may be contacted in the future and asked to complete a questionnaire or receive a study newsletter • I understand that the Compass Register will undertake the usual functions of my local Pap test register • I consent to the Compass investigators opting me out of receiving correspondence from my local Pap test register, on my behalf • I understand that I will be followed on the Compass register for the duration of the trial. I agree to participate in the Compass Trial and understand that I will be followed for 5 years.
• I understand I will be randomly allocated to having my cervical screening sample tested by one of two methods; cytology (the test used up until December 2017 in the cervical screening program) or HPV DNA testing (the new test used from December 2017)

☐ I do **not** wish for my left-over cervical sample to be used for any further research or for any HPV test validation purposes.
